2. Board Elections:

Board Elections are coming up, and the board can really use some more members. We encourage you to consider anyone you believe would be a suitable candidate for the Board of Directors and submit your nominations to elections@mosaicoutdoor.org. As we discussed during the event, the following positions are open:

- a. Vice-President (will serve a two-year term).

3. The Future of JOE:

The future of the Jewish Outdoor Escape is uncertain because many of the organizers over the years are looking to step back. We urgently need new ideas and fresh talent to help coordinate upcoming events. If you're interested in getting involved, please share your ideas or let us know by emailing Event@MosaicOutdoor.org. The Mosaic membership would greatly appreciate any contributions you make, and together, we can keep this wonderful tradition alive! We always enjoy working together on these events.
